

## **SCE&G-Savage Road Crew Quarters Site 900 Savage Road, Charleston**

### **Notices of On-Site Activities & Availability of Administrative Record**

The South Carolina Department of Health and Environmental Control (“DHEC”) notifies residents of soil removal activities expected to begin the week of August 21, 2006, at the SCE&G-Savage Road Crew Quarters Site (the “Site”). The Site is located at 900 Savage Road at the intersection of Savage and Ashley Town Center Road in Charleston, SC. DHEC will oversee the removal of contaminated soil from the Site property and the collection of soil samples to ensure all contaminated soils are removed. Thereafter, clean soil will be placed in the excavated area. The Investigation Data and Soil Removal Work Plan (“Work Plan”) contains more detailed information regarding these removal activities. Questions regarding these Site activities should be addressed to DHEC’s project manager, Lucas Berresford, at 803-896-4071 or by email at [berresjl@dhec.sc.gov](mailto:berresjl@dhec.sc.gov).

DHEC also announces the availability of the Administrative Record (“AR”) on August 18, 2006, at the West Ashley Branch Library at 42 Windermere Blvd. in Charleston and at the DHEC’s Bureau of Land & Waste Management (“BL&WM”) office at 8911 Farrow Road in Columbia. The AR includes documents that form the basis for the selection of the removal action including sampling data and the Work Plan. DHEC has provided a written notice for the area residents regarding the removal. All interested persons are encouraged to review the AR. For an appointment to review the AR at BL&WM office, contact the Freedom of Information Officer, Jody Hamm at 803-898-3817 or by email at [hammjm@dhec.sc.gov](mailto:hammjm@dhec.sc.gov).
